OUR VISION

“GMR Group will be an institution in perpetuity that will build entrepreneurial organizations making a difference to society through creation of value.”

OUR VALUES & BELIEFS

Humility

We value intellectual modesty and dislike false pride and arrogance

Entrepreneurship

We seek opportunities - they are everywhere

Teamwork & Respect For Individual

Nurturing a relationship of trust, collaboration and mutual respect.

Deliver the promise

We value a deep sense of responsibility and self discipline, to meet and surpass commitments made

Learning & Inner Excellence

We cherish the life long commitment to deepen our self awareness, explore, experiment and improve our potential

Social responsibility

Anticipating and meeting relevant and emerging needs of society

Financial Prudence – Frugality

We spend wisely and judiciously

OUR BUSINESSES

Airports | Energy | Transportation | Urban Infrastructure | Services | Sports

We have the ability to convert opportunities into sound business propositions. Our strengths lies in bidding, financing, project & operations management and partnership development. These competencies have helped us in developing an informed judgement and a wide sectoral presence.

Apart from the above, our competencies also involve bidding for large Airports, Energy and Transportation projects enabling us to extend our presence in international markets.

The group's businesses are classified under its two listed entities - GMR Airports Limited (GAL) and GMR Power and Urban Infra Limited (GPUIL).

GMR Airports Limited (GAL) is engaged in development, operation and maintenance of airports. In addition, it also specializes in offering advanced integrated security solutions.

GMR POWER & URBAN INFRA LIMITED

GMR Power and Urban Infra Limited (GPUIL) holds expertise in the sectors of Energy, Urban Infrastructure and Transportation.

AIRPORTS

GMR Airports Limited (GAL) is a leading global airport platform company with over two decades of experience in designing, constructing and operating world-class sustainable airports. Under the brand name “GMR AERO”, it offers pioneering aviation solutions in retail, aero services and real estate. Groupe ADP joined the journey in 2020 as a strategic partner and is now a co-promoter in GAL.

As a platform business, GAL also provides a range of aero services including Duty Free, Retail, F&B, Cargo, Car Parking, O&M and PMC services. Through its innovative Aerotropolis concept, it develops cutting-edge airport cities giving shape to best-in-class real estate developments in South Asia. GAL operates India’s largest third-party Maintenance, Repair and Overhaul (MRO) facility through its subsidiary, GMR Air Cargo and Aerospace Engineering Limited ensuring operational excellence across the Asia Pacific region.

GMR Innovex, a GMR Group entity, is developing and introducing a range of digital solutions to enhance the passenger journey and airport experience. Through GMR Aero Academy and GMR School of Aviation, the company is creating the talent pool necessary to drive the growth of the aviation sector in India.

As the largest private airport operator in Asia and the second-largest globally, GAL served over 121 million passengers in FY24 with a steadfast commitment to excellence in airport management as reflected in its consistent rankings for services by ACI and Skytrax. With a robust presence in India and Southeast Asia, the company operates key gateways such as Delhi, Hyderabad, Goa and Medan airports, while extending its technical services to Mactan Cebu International Airport in the Philippines. GAL is also developing transformative projects like the greenfield airports in Bhogapuram, India and Crete, Greece.

ENERGY

GMR Group is a prominent contributor to the Indian power sector through various projects (Hydro, Thermal and Renewable). The Company capitalized on the private investment policy of the government in constructing, developing and managing power plants.

The Group has 13 power generation projects of which 9 are operational and 4 are under various stages of development. With its presence across the entire energy value chain and with installed capacity of over 3000 MW, the Group is well poised to emerge as a leading private power producer in the country.

As part of the distribution reforms in India, GMR Smart Electricity Distribution Company is pioneering the revolution with the installation of 76 lakh smart meters under Revamp Distribution Sector Scheme of the Government of India.

GEOKNO

Geokno, incubated in IIT Kanpur, subsidiary of GMR Group, is the market leader in India for LiDAR and Photogrammetry (RGB/NIR) technology based Geospatial Solutions. Geokno owns and operates sensors through three platforms, i.e., Terrestrial, Mobile and Aerial (Manned & Drone). Geokno is amongst the most experienced GIS solution providers in India having delivered over 70,000 sq km of Aerial and over 30,000 km of mobile/terrestrial projects. By delivering high quality and to-the-specification outputs, Geokno has pioneered use of LiDAR and Photogrammetry (RGB/NIR) technology in new segments like Highways, Railways, Irrigation, Forestry and Smart Cities in India. With an R&D investment of over \$ 5 million, Geokno is building SMART applications for Industry and Government of India's marquee projects such as Digital India and SMART Cities. Geokno makes these Geospatial technologies to work for the specific requirements of clients even in challenging environments. Geokno has expertise in other allied technologies like BIM, Digital Twins, Web GIS and IT. Geokno integrates all these to deliver Cost-effective and desired solutions.

SPORTS

Founded in 2008, GMR Sports is a key business arm of the GMR Group, driven by a mission to connect people, nurture talent, and establish sports as a powerful unifying force both within India and globally. Committed to becoming a respected and influential brand in the sports industry, GMR Sports embarked on its journey with cricket, chosen for its widespread appeal as the ideal starting point for the group's first-ever sports venture.

The journey began with the Delhi Capitals, the city's first-ever cricket franchise and the sole representative of India's national capital in the IPL. As part of its mission to broaden its impact, GMR Sports soon diversified its portfolio, adding sports that resonate deeply with the Indian community. The company now owns UP Yoddhas in the Pro Kabaddi League and Telugu Yoddhas in the Pro Kho Kho League, reinforcing its dedication to supporting regional talent and promoting indigenous sports. Expanding its global footprint, GMR Sports now holds franchises in international markets, including Dubai Capitals, Seattle Orcas in Major League Cricket (US), and Hampshire County Cricket Club in England. Through these initiatives, GMR Sports continues to strengthen its presence on the world stage.
