GMR Airports Limited (GAL) is a leading global airport platform company with over two decades of experience in designing, constructing and operating world-class sustainable airports. Under the brand name “GMR AERO”, it offers pioneering aviation solutions in retail, aero services and real estate. Groupe ADP joined the journey in 2020 as a strategic partner and is now a co-promoter in GAL.

As a platform business, GAL also provides a range of aero services including Duty Free, Retail, F&B, Cargo, Car Parking, O&M and PMC services. Through its innovative Aerotropolis concept, it develops cutting-edge airport cities giving shape to best-in-class real estate developments in South Asia. GAL operates India’s largest third-party Maintenance, Repair and Overhaul (MRO) facility through its subsidiary, GMR Air Cargo and Aerospace Engineering Limited ensuring operational excellence across the Asia Pacific region.

GMR Innovex, a GMR Group entity, is developing and introducing a range of digital solutions to enhance the passenger journey and airport experience. Through GMR Aero Academy and GMR School of Aviation, the company is creating the talent pool necessary to drive the growth of the aviation sector in India.

As the largest private airport operator in Asia and the second-largest globally, GAL served over 121 million passengers in FY24 with a steadfast commitment to excellence in airport management as reflected in its consistent rankings for services by ACI and Skytrax. With a robust presence in India and Southeast Asia, the company operates key gateways such as Delhi, Hyderabad, Goa and Medan airports, while extending its technical services to Mactan Cebu International Airport in the Philippines. GAL is also developing transformative projects like the greenfield airports in Bhogapuram, India and Crete, Greece.
